programming

join 3,217,516 readers

5,412 users here now

/r/programming is a reddit for discussion and news about computer programming

Guidelines

- Please keep submissions on topic and of high quality.
- That means no image posts, no memes, no politics
- Just because it has a computer in it doesn't make it programming. If there is no code in your link, it probably doesn't belong here.
- Direct links to app demos (unrelated to programming) will be removed.
- No surveys.
- Please follow proper reddiquette.
